Independent Baptist Missionaries in Spain

June (Junio) 2010

Dear Praying Friends,

We praise the Lord for the opportunity we had to travel back to the States at the end of April. We spent the entire month of May there and returned home to Spain on June 3rd. The first three Sundays we were in Arizona we had the privilege of reporting to four of our supporting churches and of visiting two new churches. We had a good time of fellowship with many friends in Christ and were able to make many new friends in the various churches.

The primary reason for the trip at this time was Katie's graduation from International Baptist College in Chandler, Arizona. Yes, four years have gone by since she left home for college! It's hard for us to believe. We praise God so much for all He has taught her and for what He has done in her life during these four years. Her plans for now are to remain in Arizona and work. It was also great to see Lisa who was finishing her second year as a music major at IBC. It was such a joy and blessing to spend time together as a complete family and even to enjoy some R&R on a family vacation.

During our absence the church in Rota enjoyed having four different men come in to preach. We've heard nothing but good reports of all the messages and praise the Lord for those men. We're still praying for the Lord to supply **a pastor for the church** and would ask all of you to continue praying the same. The church is doing reasonably well and we're still seeing some visitors come out to the services now and then. We have probably seen more visitors come to the actual services (as opposed to only coming for special events) since January than ever before. Please keep praying for the **salvation of Sandra, Erika, Paulina, and Carlos**, all of whom we've mentioned in previous letters.

Since summer has arrived, that means that it's almost camp season. The week of July 19th Linda will be going to the pre-teen camp in Guadalajara. Kathy and Katie (who will be coming home for a few weeks) will also be going as cooks. Then Kristina will go to the teen camp the week of August 2nd. Then on the 17th of the month Kathy, Linda, and I will go to a family camp. **Pray for souls to be touched and for lives to be changed during this camp season.**

As of this month the church has made the final payment on the building! It's been incredible and exciting to see what the Lord has done in providing the funds to finish paying off the mortgage. It's only by His grace! We're currently planning a **special celebration of it to be held on Saturday, July 31st**. We ask all of you to uphold this special event in prayer as we'll be inviting many people to come and celebrate with us. Our desire is two-fold: that God's name would be exalted and that His message of grace would be given to those who come (and that they would respond!). Pray for the Lord to give us wisdom in how to use this occasion to spread His Word.

One final prayer request: pray for **Katie's trip** as she is coming home the middle of July and then for her and Kristina as they fly back to Arizona in August. Kristina is leaving to attend the same college as her sisters. While it's difficult to lose another child (#3), we're looking forward to seeing all God will do in her life during these next few years.

Your co-laborers in Christ,

Larry, Kathryn, Katie, Lisa, Kristina and Linda CARLISLE
