Independent Baptist Missionaries in Spain

September, 2009

Dear Praying Friends,

The summer has come and gone, and with it the multitude of tourists who visit our area. The blessing is that every year there are a few of the visitors who are brethren in Christ and they visit our church. Like always this summer has been a busy time for us as a family. The first weekend of July we took several from the church to another town for a weekend retreat. Then later in the same month Kathryn and Linda made the eight hour trip to the pre-teen camp in Guadalajara. Kristina and I (Larry) spent the first week of August at the same camp but this time for a teen camp. Then two weeks later our family along with a few others went to the family camp. The camps are anything but relaxing as all the pastors and pastors' wives are kept active in the ministry. The ladies are kept busy in the kitchen all day preparing the food for 100+ people. The men are kept busy with the studies, counseling, preaching, and a host of other activities. However, all the camps have been a great blessing to us as a family and to all who attended.

Please be praying earnestly for the church here in Rota. We have lost a few people during the past few weeks as we've been facing some problems. We have hopes of registering the church with the government in the next few months and of eventually leaving it in the hands of a national pastor. Pray that God would provide a man and that He would give all of us guidance and wisdom to follow His will.

A few weeks ago we implemented a change on our family website, www.carlislefamily.net. You can now subscribe to be notified of any major updates to the site such as prayer letters, prayer requests and praises, and multimedia files. Just click on the link of your choice on the "news" page. The news feed (RSS) seems to be working perfectly if you have a feed reader installed on your computer. However, the e-mail feed works sometimes but not always. I've researched the problem on the internet but so far have not been able to find a solution. You can still subscribe to it, however, and when it does work you'll receive an e-mail regarding the update. We hope that this will help to keep everybody informed a little better on the ministry here in Rota.

Tri-City Baptist Church, of which International Baptist Missions is a ministry, has recently moved to a new property. Please make a record of the **new address** in the box below. That address needs to be used for any letters as well as support that is mailed to the mission board for us. Also please note in the box our **new phone number** with an Arizona area code. If you wish to call us from the States you may use this number and you'll be charged the same as for any other number inside the USA, instead of being charged for an international call.

Our two oldest daughters are back in college in Arizona. Katie is in her senior year (hoping to graduate in May!) and Lisa is beginning her second year. Continue to pray for them as they are extremely busy with their schoolwork, working 20 hours a week, and in various ministries. We praise the Lord for what He is doing in their lives!

We are so thankful for the many people who sacrifice to make our ministry possible. We're humbled by your faithfulness in praying for and supporting this work. May the Lord bless each and every one of you greatly!

Your co-laborers in Christ,

Larry, Kathryn, Katie, Lisa, Kristina and Linda CARLISLE
